

DIRECTIONS TO NSV'O SHOOTING RANGE

NSV'O can only be reached from the N2 incoming to Cape Town.

1. Go past Hospital Bend, direction Cape Town, with Groote Schuur Hospital on your right hand side.
2. NB: Stay in the left hand lane.
3. From where the N2 splits into two just past Groote Schuur (De Waal Drive start), drive 800 meters until you see a stone wall with a gate, on the left hand side of the road. The gate will be open.
4. Turn left through the gate and follow the dirt road up the mountain until you get to the block house and the shooting range.
